

Regional Volunteering Project

Headlines

- Help sports organisations find volunteers
- Ensure that volunteers receive a good experience.

Deliverables

- Research the needs of clubs
- Develop GP examples & advice for clubs
- Develop Volunteer Coordinators in Clubs
- Agree common forms and protocols across agencies
- Improve relationships between Sports Organisations and Volunteer Centres
- Establish a region-wide database of volunteers and opportunities
- (CSPs to broker things locally)

Funding application to purchase:

- Provision of regional overview / direction
- Regional level database that the CSPs can use collectively
- Local research and developing examples of good practise, etc
- Support to CSPs to manage the interface within their County.

CSPs have direct interest in:

- Db with ability to contact people re running events (then feed club volunteering)
- Tracking young volunteers from Step into Sport and helping them into Community Sport Volunteering
- Tracking people across the region (e.g. as they go to College or University)

Consultation with NGBs

- Do NGBs support the proposals so far?
- Do NGBs require other outcomes? E.g. support with Club Mark Acc?
- Can NGBs help identify (a few) clubs across the region worth targeting by the project?
- What other support could an NGB Offer? From a County, Regional or National Offic(er). E.g. Help to build / update multi-sport Club Mark Register?
- Anything else to consider?

Any other points?
