

**CSP Nottinghamshire**

Sport Nottinghamshire in partnership with Nottinghamshire County Council aims to provide an effective agency with useful resources that will assist in the delivery of National Governing Body plans.

Nottinghamshire County Council is committed to working with NGBs to achieve mutual objectives, particularly around increasing levels of participation, developing local sporting communities and improving performance across sports.

Working through the County NGB Group we aim to provide a strategic and influencing body for National Governing Bodies.

**Nottinghamshire NGB Group**

The Group meets on a quarterly basis with the aim to provide a strategic and influencing body for National Governing Bodies within Nottinghamshire driving the improvement of sport through an effective network of partners.

For more information on regarding the NGB Group please email: [chris.rolle@nottscc.gov.uk](mailto:chris.rolle@nottscc.gov.uk)

***Objectives and Responsibilities of the Group are detailed below:***

- To provide an opportunity for NGB's to respond to, critique and input into developments and initiatives of the partnership.
- Through the exchange of information between group members ensure county plans reflect the sporting needs of Nottinghamshire.
- To bring together NGB's and partners to improve communication, influence engagement and champion good practice.

- To provide a structured link between NGB's and other Partnership Groups via updates and consultation.
- To provide a collective voice to influence and shape the Regional NGB Group.
- Support NGB's without a County specific Officer and sports without development resources.
- Through a coordinated approach influence and support County-wide events.

**Community Sports Network**

The CSP has an officer, Ken Pollard, who is involved in supporting the CSNs within the County. Whilst sports are able to use this point of contact, it is requested that any initial approaches regarding links with CSNs are made through Chris Rollé. The CSNs are as follows:
